

## Who we are.

Western Australian Disability Enterprises are a collection of seven like-minded organisations operating a diverse range of commercial businesses.

Between us, we provide supported employment opportunities for more than 2,000 people with disability.

Most of our organisations have been established for over 50 years with operations across the Perth metropolitan area and regional Western Australia.

Working with us not only gives you the best in quality, it also means you're helping us provide a valuable service to our employees with disability and the broader Western Australian community.

## Our commitment to quality.

WA Disability Enterprises have a total commitment to quality. We continually aim to achieve high performance standards and are committed to providing the very best products and services.

We stand firmly behind our products and services and are committed to always providing you with the best value.

### Quality standards and accreditation

Our businesses adopt national and international standards of best practice. Control processes and systems are in place to ensure our products and services are first class, delivered on time and competitively priced.

Many of our businesses have ISO 9001 accreditation.

### Personnel

Our businesses are all run by teams of dedicated and highly-experienced professionals. We also invest significant resources in the training and development of our personnel.

### Machinery and equipment

Our businesses utilise modern and specialised plant and equipment which gives us the capability to deliver high-quality products and services efficiently and safely.

## Don't just take our word for it.

Western Australian Disability Enterprises

**First-class  
quality products  
and services  
from companies  
who care.**

**All of our first-class quality products and services are simply one call or a click away.**

### **Environmental and rehabilitation services.**

Our dedicated team of industry professionals offers everything environmental from consultancy to rehabilitation and planning to planting. We have our own accredited wholesale nursery for growing native plant stock and landscape plants.

We also offer wetlands assessment and restoration, coastal rehabilitation, erosion control, fauna and flora mapping, weed control, spraying and seed collection, storage and pre-treatments.

### **Parks, grounds, gardens and roadsides.**

We can keep your grounds, gardens and external infrastructure looking their very best.

Our services include lawn mowing-edging, vertimowing, coring, topdressing, fertilising, wetting agent application, sandpit sifting, garden maintenance (hedging and pruning), mulching, reticulation repairs and scheduled maintenance programs.

### **Fire equipment supply and management.**

We've been a leading provider of asset management services for fire suppression equipment since 2001. We work across Western Australia; from mining in the north to country fire brigades in the south.

We supply, install, test and service fire protection equipment and provide testing and maintenance of lay flat fire hoses, fixed fire systems and ladders from Kununurra to Eucla.

### **Offset and digital printing.**

We offer print management and design services for short or long run printing, from simple to complex publications.

We print brochures, catalogues, newsletters, posters, banners, annual reports, manuals, files, forms, business stationery, campaign material, labels and tags. We also die-cut, bind, collate, stock and distribute.

### **Recycling and reuse.**

We collect and recycle or reuse a range of materials:

**batteries:** sorting and processing of all battery types.

**general:** office furniture and equipment, household items, metals and plastic.

**paper:** secure shredding of confidential and general documents and files.

**textiles:** clothing, shoes and bags.

**lubricants:** recycle of engine oils.

**0427 905 226**  
**manager@wade.org.au**

### **Light engineering and metal fabrication.**

We service the commercial, construction and resource industries with laser and plasma cutting, robotic and general welding (mig, tig and spot welding) and CNC presses.

We also manufacture a range of products from black, galvanised or stainless steel sheet, including trailers, gates, fencing, ladders, benches, structural frames and scaffolding. We supply the building industry with cavity ties, hoop iron and building straps.

### **Warehousing and inventory management solutions.**

We offer long or short term storage with stock receipting and an inventory management system with plenty of secure warehouse storage space for plant, equipment and furniture.

We also offer pick-and-pack solutions and document storage and distribution services.

### **Catering.**

We can cater for all sorts of office functions; from a staff get-together to a full conference. We have menus for lunches, morning and afternoon teas which all feature a wide selection of freshly-prepared, delicious food and great coffee.

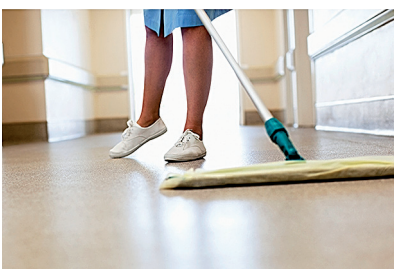

Deliveries in the greater CBD area are free.

### **Media and internet services.**

Our highly experienced web design and web development team have the knowledge and skills to design, create and market an affordable website solution that will work for both you and your clients.

We design digital marketing campaigns with effective search engine optimisation, online shopfronts, custom WordPress based content management solutions and Facebook integration.

### **Commercial cleaning services.**

We offer a range of commercial cleaning services.

From teams who can clean your office, mobile teams who can clean and detail your vehicles, through to work crews who specialise in cleaning barbecues in parks and grounds. We also offer industrial and HACCP site cleaning services.

## Electrical and electronic equipment.

We test and tag electrical equipment onsite. Testing and tagging your electrical appliances minimises the risk of electrocution or injury from faulty appliances in your workplace. We also assemble electrical and electronic components including sub-boards and component kits.

## Packing, collation and distribution.

We undertake all types of light assembly and bench work. We can sort, pack, re-pack, label, collate, bag, shrink wrap, heat seal and mail-out.

**Assembly:** anything from medical and pharmaceutical kits, mechanical parts, electrical or hardware component kits to electrical sub-assembly.

**Packing:** we offer custom blister packaging and general packing and filling. We pack wholesale and retail merchandise such as sample bags, show bags, nuts and bolts, dry foods and more.

**Collation and distribution:** postal mail fulfilment services, letters, magazines, brochures, pamphlets, leaflets and newsletters.

## Safety and PPE.

We manufacture high viz safety garments including vests, singlets and caps. We also customise clothing including fabric, lettering and reflective tape.

Plus we supply workwear, footwear and accessories.

## Wood, paper and textile products.

We manufacture and supply a range of products and services from the creative to industrial.

**Manufacture:** pallets, crates, racks, bed frames and storage bins.

**Paper and cardboard manufacture:** custom-made gift and presentation boxes, holders for record storage, spare parts, tools, clothing and magazines.

**Textiles:** ranging from supply of hospital linen through to commercial cleaning cloths.

**Mining supplies:** anything from pin markers, mining flags and sample bags.

## Picture framing.

We offer a range of creative designs for both off-the-shelf and customised picture framing services.

We frame everything including artworks, canvas pieces, photos, memorabilia, awards and certificates.
